

Summer 2018 Update!!

Description

Summer 2018 is Starting Off Strong!!

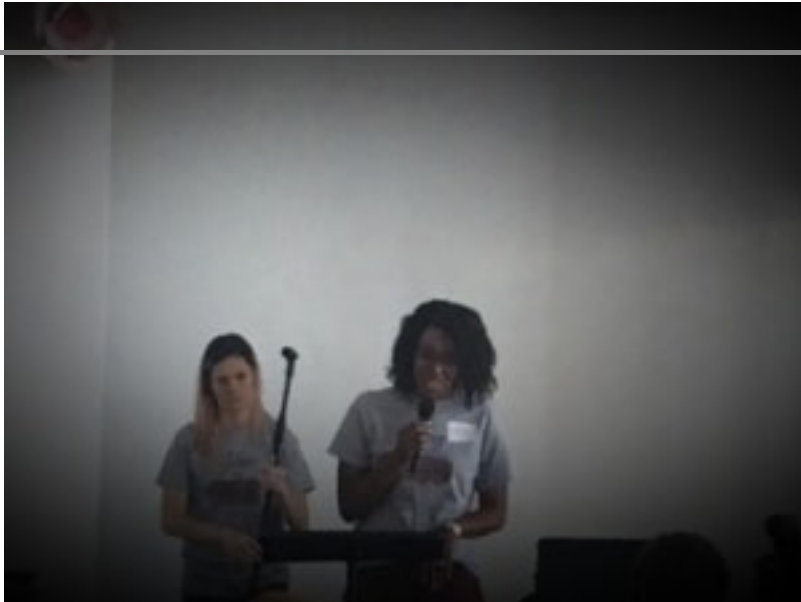

Our heart at The Priceless Journey is that every person who reads our books, goes to our website, or hears us at a conference will leave feeling freer, shining more radiant and walking further out of the shame that may be covering their faces!! The picture above is our leaders after our second conference:

– Embracing YOUR Priceless Journey –

June 9, 2018

It was an incredible time and the Lord moved through the many testimonies that were shared!! Please see more pictures from that day below!!

We had so many share how they left feeling freer and the shame that cloaked them was coming off... what a gift it's been to watch God release these lives from the enemy's grip as they press into Jesus and realize who they are in Him...truly priceless!! It reminds me of Isaiah 61:2a which says,

**“He has sent me to tell those who mourn that
the
time of the Lord’s favor has come.”**

**What an absolute privilege it is to behold and be apart
of what God is doing as we continue to say “yes”!**

Please see other exciting developments below:
