

Steps of Faith

Description

“Now faith is being sure of what we hope for and certain of what we do not see.” (Hebrews 11:1)

FAITH! A word we so often come in contact with as Christians, but seldom do we actually put it into practice. Faith is a confident belief in the truth, value, and trustworthiness of God! We know that God will come through, not because the circumstances around us say so, but because God has been and always will be faithful. He assures us of that time and time again in His Word.

Even when we can't see around the corner of a mountain when we're driving, we still take the corner. Even though we don't know who builds the bridges we cross, we still cross them. There are many situations where we have to use faith to move forward. Will we apply that faith to our walk in Christ? Will we take the next step in faith knowing that He ultimately knows the way?

Do you have enough faith to take the next corner with God? Trust that HE has wonderful things in store for you! He won't let you down!

Lord, I pray that you will increase my faith, so I may see things through Your eyes. My hope is in You, all that I have and all that am is in YOU! May I take the next corner in faith, trusting that You know what's next!

Looking forward to what's around the corner,
