

Faith

Description

From the tiny birds of the air and from the fragile lilies of the field we learn the same truth, which is so important for those who desire a life of simple faith: God takes care of His own. He knows our needs. He anticipates our crises. He is moved by our weaknesses. He stands ready to come to our rescue. And at just the right moment He steps in and proves Himself as our faithful heavenly Father. (Charles Swindoll)
