

# You Are Valuable

## Description

The LORD will fight for you; you need only be still. (Exodus 14:14)

Do you ever wonder if there's more? Have you ever felt ashamed, unworthy, or insignificant? Have you ever felt alone? You, my dear one, are in great company, as many of us have faced these very same questions. In fact, that is the very heart behind the book [You Are Priceless](#). I invited twenty-one women to join me in an effort to bring the message of the Gospel to women in the Sex Traffic Industry. We express how God has taken our moments of insignificance, shame, feelings of unworthiness, and brokenness to express some of His most beautiful work! He truly does bring beauty from the ashes and we are living proof of just that!

Yes, God is at work. The fact that you are reading this post is living proof of how much God loves you. He designed this moment in time where you would stumble across this post and hear the message of how much He truly loves you. You are valuable!

**You are seen! You are known! You are loved!** That's the message we hope to portray and we hope you will embrace when you read the book [You Are Priceless](#). Each part of this book was designed with you in mind. We want you to know that, no matter where you are or what you've done, you are loved! You are deeply treasured by God. He knows each and every tear you've cried, every pain you've endured, and the daily things you go through. Your struggles are the burdens of His heart. There's absolutely nothing you could do to make God love you any more than He already does. Yes, you're loved right where you are! **You are priceless**, my dear!

You can buy the book now and learn more about your value in Christ! Please share this book with anyone you know who has yet to understand how truly loved they are by the King of Kings! Right now, the Tampa edition is available. We will have a National edition available soon. *Dear Father God, It is my prayer that women all across our country will embrace their value in Christ. May the tags of this world be thrown to the side as they pick up the life giving words You speak over us. We are priceless, we are treasured, we are loved, we are valued, and we are cherished. Lord, may this message spread far and wide, so many can embrace what You have designed them to be!*
