

My New Website

Description

For the word of the Lord is right and true; he is faithful in all he does. (Psalm 33:4)

I have some exciting news! Today is my due date with baby boy number 2 and to celebrate I'm bringing you my brand new website. I'm so excited to share it with you. It really turned out well and I look forward to using it as a tool to reach the nations. Please join with me in this grand adventure!

I have been dreaming about a website for a while but haven't had the courage to go ahead with it or the right partner to help me make it possible. Thankfully, God placed the right person in my path! He knows exactly how to get things done and His timing is always perfect! I did question that timing thing a time or two as I approached my due date. Thinking how crazy am I to do this right now when I could go in to labor at any moment. But I felt in my heart that God was daily reassuring me this was the right thing to do. It was a step of faith. Not just a step, a leap! God continues to be tremendously faithful in my life and I look forward to sharing my experience of His faithfulness through every devotional on this site.

Please take a look at the site and let me know what you think! If you can please share it with your friends and family.

Thank you for all your continued support with my writing!
