

Introducing our Warrior Zoe Grace

Description

Those who look to him are radiant; their faces are never covered with shame. -Psalm 34:5

We are so excited to introduce you to Zoe Grace. Zoe in Greek means **life**. She is a life that has forever been transformed by the grace of God. She is a warrior who represents every woman who has ever been marginalized, exploited, bullied, and treated like a commodity. She is a woman who has risen from the ashes of her life to declare beauty. She has reclaimed her story. She knows who she is and she fights like it. She doesn't back down. She doesn't give in. She doesn't look back. And she doesn't apologize for being who God created her to be. She owns it! She knows that every detail in her being is there for a purpose.

She is you. She is me.

Zoe Grace is a warrior showing up to the battlelines.

She says...

I am a trophy of God's grace. Yes, broken is the new beautiful. I look back and see pieces, but God sees a masterpiece. No longer defined by shame, I am radiant. In fact, for many years of my life, I looked in the mirror, only to see ugly, unlovable, and unworthy. Words of others killed me slowly until I found myself encaged by self-condemnation. I lost my voice under the weight of others expectations until God's mercy released me into my great awakening.

I am Zoe Grace, a woman not defined by my past. A woman forever transformed by the love of God. A woman ready to embrace the future and declare I am worthy, significant, and loved! I arise as a warrior engaged for Priceless impact! Today, I embrace my journey of freedom and invite you to do the same.

The Priceless Journey is now proud to offer a study guide to go with our book [You are Priceless](#). It is a study guide that will truly transform the way you think about yourself and enable you to walk in freedom. It will make you face the lies and teach you to replace them with God's Truth. It will equip you for battle and remind you who you truly are!

Thank you Zoe for reminding us who we are and helping us embrace the journey of freedom!

Unworthy. Unlovable. Ugly.

These were the words revealed in the mirror of my mind. Words that defined me and suffocated me. Words from my past that choked out my voice. These and many others took up residence in my mind until I chose to go back and uproot them one by one.

I am choosing to see my past as just that, my past. Not a definition of my character or the sum of who I am. Merely a place that advanced me into my destiny. Motivation came through death words as I faced them and embraced the life God promises me in His Word. Daily I made the trade.

Trading in unworthy for worthy. Unlovable for loved. Ugly for beautiful.

The mirror of my mind now reveals a different story. Rewriting my history to declare I'm blood-bought. I'm worthy. I'm significant. I am Priceless! I'm a trophy of God's grace, and I refuse to live one more day under the weight of shame and condemnation.

I am free, and I encourage you to **embrace your journey of freedom** as you make the daily trade. Exchanging and uprooting every lie planted in your mind so that you can make way for the truth of who you are.

You are priceless, my dear!

God sees you. He knows you.

And He loves you with an everlasting love! Nothing can separate you from His love. I invite you to join me in an exquisite discovery to unveil the true masterpiece you are.
