

Three New Books

Description

In the future, when your children ask you, 'What do these stones mean?' tell them that the flow of the Jordan was cut off before the ark of the covenant of the LORD. When it crossed the Jordan, the waters of the Jordan were cut off. These stones are to be a memorial to the people of Israel forever. (Joshua 4:6-8)

I wanted to let all of you know that I have three new books available. I'm so excited to share with you the work of God in my life. Lately, I have been camping out in the book of Joshua. In the Old Testament, there were many memorials set up as reminders of the work of God. These three books are my memorials.

It seems kind of humorous to think that God has had me writing about the Victorious Life during a time I haven't felt so victorious. I was writing about joy at the time of my dad's motorcycle accident. Coincidence, I think not! God is so good and has His perfect timing in all things.

These books are a testimony to the work of God in my life through some tough storms. Even as I was about to finish the final edits of Victorious Mindset, our car was broken in to and my computer was stolen with all my notes. Talk about a test of putting to practice what I had just written. I love how God works! Even when things are tough God has a purpose. I cling to Romans 8:28 a lot and know that God will never fail. He is perfect! His timing is perfect! His ways are perfect!

We are assured *and* know that [God being a partner in their labor] all things work together *and* are [fitting into a plan] for good to *and* for those who love God and are called according to [His] design *and* purpose. ~Romans 8:28 (AMP)

I pray with all my heart that each of these books can be a blessing to those who read them. I pray that God will be glorified and that the name of Jesus will be lifted high.

If you would like to order any of these books you can order them in my Book Shop. Please let me

know if you would like to make a bulk order for your church or ministry. I would love to partner with you and give these books at a discount so you can use them to advance God's purpose through your ministry.

Thank you so much for being my faithful readers and for your support and encouragement with these books! I'm greatly blessed by all of you!

Sincerely,
