

Wisdom for Life

Description

Wisdom for life comes in many forms but no one can offer us advice on this subject like God can. That's one of the reasons I love the book of Proverbs in the Bible. It's filled with rich thoughts on how to live. It gives direction in a directionally challenged world. It gives a glimpse of what life can be when we are surrendered to God's purpose. It leads us towards God and teaches us how to be more Christlike.

I'm excited to announce that the latest book in the Victorious Living Collection is being released today. You can find [Wisdom for Life](#) anywhere that books are sold. This was a fun book to put together on the Proverbs. I wasn't able to capture every nugget in the Proverbs, but I did do my best to give you at least a snippet.

Description of Wisdom for Life book...

Billy Graham once said, "Knowledge is horizontal. Wisdom is vertical—it comes down from above." Wisdom from God is free, and you can have as much of it as you desire. In fact, that's exactly what God says in James 1:5, "If any of you lacks wisdom, he should ask God, who gives generously to all without finding fault, and it will be given to him."

God's wisdom can empower you to live a life that matters. [Wisdom for Life](#) invites you to take a journey through the Proverbs to discover the wisdom God has for you. May the words that Solomon penned become your guide, and may God's Spirit increase your spiritual stature in wisdom as you read through this thirty-day devotional.

If you would like to do a review on the book for me I can offer you a free digital copy of the book. Just send me an email and I will be happy to send you the code in exchange for a review on Amazon and Barnes and Noble.

May this book bless and encourage you as you grow in the wisdom that only God offers!

You can purchase this book at the following places...
